Welcome to Oslo Airport!
Simulation time is: 20
Average incoming flights per time unit (< 1.0): 0.9
Average outgoing flights per time unit (< 1.0): 0.9

001: Airplane 001 is ready to take off!
     Airplane 001 took off!
002: Airport is empty!
003: Airport is empty!
004: Airplane 002 is ready to take off!
     Airplane 003 is ready to take off!
     Airplane 002 took off!
005: Airplane 004 is ready to take off!
     Airplane 005 is ready to take off!
     Airplane 003 took off!
006: Airplane 006 is ready to take off!
     Airplane 007 is ready to take off!
     Airplane 004 took off!
007: Airplane 008 is ready to land!
     Airplane 009 is ready to land!
     Airplane 008 has landed!
008: Airplane 009 has landed!
009: Airplane 010 is ready to take off!
     Airplane 005 took off!
010: Airplane 011 is ready to land!
     Airplane 012 is ready to land!
     Airplane 011 has landed!
011: Airplane 013 is ready to take off!
     Airplane 014 is ready to take off!
     Airplane 012 has landed!
012: Airplane 015 is ready to land!
     Airplane 016 is ready to take off!
     Airplane 015 has landed!
013: Airplane 017 is ready to take off!
     Airplane 006 took off!

```
39 014: Airplane 018 is ready to take off!
40      Airplane 007 took off!
41 015: Airplane 010 took off!
42 016: Airplane 019 is ready to land!
43      Airplane 020 is ready to take off!
44      Airplane 021 is ready to take off!
45      Airplane 019 has landed!
46 017: Airplane 013 took off!
47 018: Airplane 022 is ready to take off!
48      Airplane 023 is ready to take off!
49      Airplane 024 is ready to take off!
50      Airplane 014 took off!
51 019: Airplane 016 took off!
52 020: Airplane 017 took off!
53
54 Simulation finished after      : 0020
55 Total processed Airplanes      : 0018
56 Successful landings            : 0006
57 Successful take-offs           : 0012
58 Rejected airplanes             : 0000
59 Ready to land                  : 0000
60 Ready to take-off              : 0006
61 Airport was empty              : 10.00 %
62 Average waiting on landing     : 0.33
63 Average waiting on take-off    : 3.00
64
65 Process finished with exit code 0
